The oil and gas industry uses many acronyms and abbreviations.. This list is meant for indicative purposes only and should not be relied upon for anything but general information. Topic 9: Safety and risk management in oil and gas ... Quote HSE " Success in managing major Hazards is not measured by the Occupational Health and Safety Statistics but by measuring the performance of critical systems used to control risks to ensure they are operating as intended.. This statement is a very powerful statement and i want to stand on the premise that it should form the basis of assessing and formulating regulation regimes.
