Tackling wicked problems : A public policy perspective ... Many of the most pressing policy challenges for the APS involve dealing with very complex problems. These problems share a range of characteristics—they go beyond the capacity of any one organisation to understand and respond to, and there is often disagreement about the causes of the problems and the best way to tackle them. These complex policy problems are sometimes called 'wicked ... What's new in the research on agricultural entrepreneurship? 1. Introduction. In the last years, there has been a growing consensus that the identification, evaluation, and pursuit of entrepreneurial opportunities is a distinctive aspect of entrepreneurship, including in the agricultural sector (Lans et al., 2017; Shane and Venkataraman, 2000). Entrepreneurship is not an occupation of a person, since entrepreneurial behaviour may only occur during a ... Climate Business | Business Climate Grist: A Strategic Approach to Climate by Michael E.
